

# IT IS A NUISANCE

Property Owners Near the Arcade Object to

# ITS BEING A LOAFING PLACE

For Disputable Citizens—They Petition the Police Commissioners to Abolish the Evil—Routine Business.

The board of police and fire commissioners did not meet at 3 o'clock as usual yesterday, but instead held an evening session. There were present commissioners Lottigert, Hatch and Bender. Superintendent Eastman recommended the confirmation of Mark W. Wood as signal operator in headquarters. Referred to the committee on men and discipline.

The report of the supply agent showed the cost of feeding each horse per day was 19.3-10 cents.

The committee on claims and accounts reported bills amounting to \$3,224.18 from the police department and \$6,999.91 from the fire department.

**Fireman Promoted.**

The committee on men and discipline recommended that the following men be promoted to the positions designated: S. J. Tanner from stoker to engineer of No. 2 steamer; Joseph Brown from pipeman to lieutenant of No. 8; John Remus from part pay to full pay pipeman No. 8; William Spencer from pipeman to lieutenant of No. 7 hose company; T. H. Bellare from pipeman to lieutenant No. 5. Superintendent Eastman recommended that the necessary changes in patrol boxes to conform to the changes in the beats.

Marshal Lemon recommended the following men for confirmation: Michael Virin to full pay ladderman of No. 3; William F. Apter to part pay pipeman of No. 8 steamer company; R. L. Sweetman part pay pipeman of No. 1 hose company.

The following communication was read from residents and property owners in the vicinity of the Arcade: "Your petitioners beg respectfully to call your attention to the inordinate amount of loafing indulged in the Arcade and its vicinity. Some of the most useless characters are in the habit of loitering at various points about the Arcade, the nuisance being greater than in any other portion of the city. The nuisance has grown to such proportions that it drives respectable persons from passing through the Arcade. From morning until late at night a gang of colored bootblacks are loitering, indulging in horse play, swinging their boxes which are attached to straps, using bad language much to the annoyance of the public and the disrepute of the city, the locality being very near the center of the business portion of the city."

**Ordered to Abate It.**

Police headquarters has been repeatedly telephoned, eliciting nothing but the stereotyped reply that it would be attended to. Your petitioners respectfully request that a more effective patrol be given, that officers be directed to disperse loafers and that a salutary example be made of those persistently loitering and making of themselves public nuisances. The paper was signed by William T. Powers and all the persons doing business in the vicinity.

Commissioner Bender moved that the matter be referred to the superintendent of police, with instruction to abate the nuisance at once. Commissioner Lottigert thought it should be referred to the committee on men and discipline to investigate the charges made against the superintendent, and find out if he had been telephoned about the nuisance and had neglected to do his duty. Commissioner Bender moved that it be referred to the superintendent with instruction to do his duty at once. Commissioner Hatch seconded the motion, and it was carried.

**Skinner Arraigned.**

Reuben Skinner, the aged Plainfield township farmer who assaulted his wife with an ax last week, was arraigned in Justice Westfall's court yesterday afternoon on a charge of assault with intent to commit murder. The old man had no attorney and was not prepared to announce whether he would waive the demand an examination and the case was adjourned until October 14. He said he did not know why he made the assault and was sorry for what he had done. He appeared to be sane and fully conscious of the character of the charge. The prisoner was remanded to jail in default of \$5,000 bonds.

**Parish Again Arraigned.**

L. W. Parish, a Hill street saloonist, was arraigned yesterday on a warrant sworn out of police court on complaint of Mrs. Hattie Parish, charging him with disorderly conduct. He was arraigned and pleaded not guilty. His trial was set for October 13. This case is a sequel of a former case wherein the complainant had Parish arraigned for selling beer to her little boy. The evidence was not strong enough to hold him for trial and he was discharged. Mrs. Parish alleged in her later complaint that when she went to Parish's saloon to forbid him selling beer to her boy he replied to her in insulting language and ejected her from his premises.

**Jimmie Goes to Jail.**

James Callahan was sentenced to the county jail yesterday for fifteen days from police court upon a conviction of disorderly. The complaint was made by Mary Abbott, a Waterloo street resident, who charged him with having called her obscene names. Callahan insisted in court that Mrs. Abbott took \$20 from him and refused to return it. The trouble which followed led to his arrest.

**Alice Lives With a Widower.**

Alice Hibner was before Assistant Judge Holcomb in police court yesterday on a charge of larceny and her case was referred to County Agent Haskaway, who will report his recommendations to the court this morning. Alice is 19 years old and left her home about two months ago to work for a

man named McGowan, living in the vicinity of the "Black Hawk." Her parents objected to her living with McGowan as he is a widower, and they have tried to induce her to return home, but she insists on staying away.

**Young Ball Pleads Guilty.**

Gilbert Ball, son of Postmaster Ball of Marley, and formerly assistant postmaster at that place, was arraigned in the United States court yesterday on an indictment for stealing registered letters from the mail. He pleaded guilty to the indictment, and Judge Severens deferred sentence for a few days. Young Ball was arrested by Deputy Marshal Brewster last July, and has been confined in jail here since that time, being unable to procure bail.

**Young Hook Arraigned.**

Henry Hook, the 13-year-old boy who developed a taste for blood and stabbed young Adrian Feraubucy in the back with a pocketknife, was arraigned in police court yesterday on a charge of assault and battery. He demanded an examination, which was set for this morning. The complaint upon which the warrant was made was by Adrian Feraubucy, senior.

**Convicting Saloonists.**

The saloon men who have been arraigned for violations of the city ordinances are failing poorly in this term of the superior court. Thus far every case tried has resulted in a conviction. The respondents will all be sentenced next Monday. Yesterday Henry Hascher took the stand and had his case continued over the term. John C. Mangold stood trial for keeping open Sunday and was convicted.

**Discontinued the Case.**

The assault and battery case wherein Lambertus Barteld and Ales Olhoff were the complaining witnesses, and William and John Kent were defendants, was discontinued in Justice DeWolff's court yesterday on payment of costs by the defendants. The parties are residents of Grandville.

**Court Notes.**

Johanna DelBryne filed a suppressed bill of complaint with the clerk of the circuit court yesterday asking for a divorce from her husband, Marjous DelBryne. Cruelty and non-support are the grounds upon which the application is made.

Henry Warner of Spring Lake pleaded guilty to the United States court yesterday to an indictment for taking a letter from the postoffice belonging to another and embezzling the contents, a check for \$15. Judge Severens deferred sentence.

The grand jury presented nineteen true bills of indictment to the United States court yesterday, making forty-eight bills for the session. The business being completed the jury was discharged by the court for the term.

Judge Adet yesterday dissolved the injunction obtained on Thursday by Fred Baumbach restraining the collection of a note by Cora B. and Eugene E. Allen.

By an order of Judge Burlingame all saloonists having charges pending against them in the superior court are required to appear in his court this morning.

**Police Court Notes.**

Alexander Douglass will have a hearing in police court October 14 on a charge of selling liquor after hours. There are two charges of this character pending against "Doug."

Over twelve years I was afflicted with a very serious female difficulty and for the last sixteen months was under treatment of three of the very best physicians that money could employ. Under their skillful treatment I gradually grew worse, until they decided they could render me no permanent help. One of my friends persuaded me to try a bottle of Dullam's Great German Uterine Tonic, and after taking three bottles, I can say I am in better health than I have been for twenty years, and am now 60 years old, but feel as young as at 30.
